NOTICE OF FILING, REQUEST FOR COMMENTS, AND PUBLIC HEARING

D.P.U. 24-155

November 13, 2024

Petition of the Town of Wrentham for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c. 164, § 134.

On October 11, 2024, the Town of Wrentham (“Town”) filed a request with the Department of Public Utilities (“Department”) for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program (“Program”). Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the Program unless they chose to optout, in which case they would continue to receive basic service provided by their electric distribution company, National Grid. The Department docketed this petition as D.P.U. 24-155.

The Town has retained Good Energy, L.P. to serve as its consultant in this proceeding and to assist in the implementation of the Program.

The Department will conduct a virtual public hearing to receive comments on the Town’s filing. The Department will conduct the hearing using Zoom videoconferencing on **Tuesday, December 3, 2024**, beginning at **2:00 p.m.** Attendees can join by entering the link, <https://us06web.zoom.us/j/83928283292>, from a computer, smartphone, or tablet. Alternatively, any person who desires to comment on this matter may submit written comments to the Department no later than the close of business (5:00 p.m.) on **Tuesday, December 3, 2024**. Please note that in the interest of transparency any comments will be posted to our website as received and without redacting personal information, such as addresses, telephone numbers, or email addresses. As such, consider the extent of information you wish to share when submitting comments. The Department strongly encourages public comments to be submitted by email.
