

# Wrentham Community Electricity

June 11, 2025

# Purpose

Offer new electricity supply options that provide competitive and stable prices for all Wrentham residents and businesses.

Although savings cannot be guaranteed, these programs have historically provided savings compared to utility Basic Service over the contract term.

# Our Electricity Supplier

Wrentham chose Dynegy as its electricity supplier, and will offer two supply options.

Program starts July 9, 2025 and prices are fixed for 29 months.

# What Changes

Participation in Wrentham Community Electricity will only change the “Supply” portion of your National Grid electricity bill.
